

SHYAMILY KURIAKOSE

Digital Analyst | Data Analytics | System Administration | Power BI | SQL | Python

shyamilytkuriakose@gmail.com | +91 8281447739 | Kochi, Kerala, India | [linkedin.com/in/shyamily](https://www.linkedin.com/in/shyamily)

PROFESSIONAL SUMMARY

Digital Analyst and System Administrator with an M.Tech in Computer Science & Engineering and 10+ years of experience across digital operations, IT infrastructure, database administration, Microsoft 365/Google Workspace, cybersecurity, data analytics, and technical education. Experienced in Power BI, SQL, Python, DAX, enterprise systems, digital transformation, and collaborative reporting. Currently leading digital operations and system administration at INDOCERT while building practical data analytics projects using Python and Power BI.

CORE TECHNICAL SKILLS

Technical: Power BI • DAX • SQL • MySQL • Oracle • Python • Database Administration • Microsoft 365 • Google Workspace • System Administration • Cybersecurity • JIRA • Keka HRMS • CB Soft • Prompt Engineering • AI Agents • Digital Analytics • SEO & Digital Marketing • HTML • PHP • Java • C • C++

Professional: Analytical Thinking • Problem Solving • Project Management • Team Leadership • Communication • Cross-functional Collaboration • Training & Facilitation

CERTIFICATIONS & PROFESSIONAL TRAINING

- **One Million Prompters Certificate** — Completed professional prompt-engineering certification focused on practical generative-AI and prompting skills.
- **AI Agent Master Class** — Nov 2025 — Training in AI-agent architecture, deployment strategies, and operational capabilities.
- **Mastering the Art of Prompting** — Aug 2025 — Prompt engineering, structured context optimization, and effective use of large language models.
- **Productivity House Applied Digital Skills** — Google, Aug 2024 — Applied digital productivity and workflow automation skills.
- **Skill Enhancement Program in MS Office** — Jul 2024 — Advanced data organization, formulas, and professional documentation.
- **Foundations of Digital Marketing & E-commerce** — 2022–2023 — Digital acquisition, SEO, e-commerce infrastructure, and web analytics.

SELECTED GITHUB PROJECTS

- **Customer Behavior Intelligence Platform** — Analytics platform focused on customer purchase behavior, churn, loyalty, and actionable customer insights. github.com/shyamilykuriakose-bot/Customer-Behavior-Intelligence-Platform
- **Netflix — Power BI** — Power BI dashboard project for exploring Netflix content and viewing-related insights. github.com/shyamilykuriakose-bot/Netflix
- **Superstore Sales Analysis Using Python** — Python-based sales analysis covering revenue trends, profitability, customer performance, and regional insights. github.com/shyamilykuriakose-bot/Superstore--Sales-Analysis-Using-Python
- **Blinkit Data Analysis** — Analysis and reporting of sales, ratings, item weight, and product-level performance indicators. github.com/shyamilykuriakose-bot/Blinkit
- **Quote Calculator** — Python project implementing a simple quote-calculation workflow. github.com/shyamilykuriakose-bot/Quote-calculator

PROFESSIONAL EXPERIENCE

Digital Analyst & System Administrator | INDOCERT | Aug 2021 – Present

- Manage digital operations, IT infrastructure, databases, websites, internal applications, and user support.
- Led enterprise migration from Google Workspace to Microsoft 365, supporting continuity, data integrity, and cloud operations.
- Administer DWR systems for real-time workforce reporting, monitoring, maintenance, and gap analysis.
- Implement cloud security controls and AI-assisted security rules; monitor backups, domains, accounts, and system health.
- Support digital transformation through Keka HRMS, JIRA, internal software, digital marketing, and operational reporting.

Computer Science Teacher | Al Ameen International Public School | 2019 – 2021

- Taught Computer Science and Mathematics for Senior Secondary classes XI and XII.
- Delivered practical instruction in Python, C, C++, HTML, networking, and MySQL.
- Designed curricula, practical exercises, and technology-focused learning activities.

Admin Executive | HC24 Pvt Ltd | 2016 – 2018

- Managed daily administration, cloud-based records, task delegation, internal networking, and organizational documentation.
- Coordinated communication with UK-based corporate clients.

Guest Lecturer | Government Polytechnic Kalamassery | 2016

- Taught Operating Systems, Software Engineering, and Database Management with practical laboratory sessions.

Computer Science Teacher | Crescent Public School | 2015 – 2016

- Delivered Computer Science and graphics training and supported academic/research activities.

EDUCATION

M.Tech / Master in Computer Science & Engineering | Mahatma Gandhi University | 2013 – 2015

B.Tech in Computer Science & Engineering | Mahatma Gandhi University | 2009 – 2013
